Explanations

To those, or to whom it may concern will find this Book Printed in the same order as all Family Record Books, such as the widely known Hochstetler or the Decendants of the Martin Borntrager or the John Frey book. Of course this is just a small book toward these other books and might not have been necessary to put it up in this order, but it would be a little more convenient to find a Family which are numbered from 1 to 123.

The index is found in the back of the book, of which each Families' name appears twice, by the number of the family.

The name of states and months are abbreviated, also such as married, M.; born, B.; death, D.; daughter, Dau. You will also find that there are probably some birth dates not printed. also a few ministers which were not gotten, so there will be a blank line left so they can be written in later.

There were some Families that gave the place or state where the birth had occurred while others didn't, so that is the way they are printed, just the way they were handed in, or as near as we could. Of course we expect we will make mistakes, but hope the readers will sympathize with us and overlook our shortcomings.

Decendants of

Daniel J. Borntrager

1806847

In the second generation there were 12 children; 4 daughters and 8 sons. of which there were 3 deaths, 2 sons and 1 daughter.

In the third generation there are 55 sons and 49 daughters of which there are 17 deaths, 8 sons and 9 daughters. There are also two foster daughters in the third generation.

In the fourth generation there are 209 girls, and 229 boys, there are also 2 foster daughters in the fourth generation. There are 36 deaths, 22 boys and 14 girls. There are 7 pairs of twins of which there are 4 pairs of girls, 1 pair a boy and girl and 2 pairs of boys of which 2 boys died and 1 girl. The oldest were born Dec. 19, 1917, were boys, 1 died March 8, 1918. The youngest were born Dec. 1 1941.

In the fifth generation there are 34 boys and 34 girls of which there are 2 deaths, 2 sons. 1 pair of twins, a boy and girl born Sept. 19, 1938. There were 3 pairs of twins born in the month of Sept., 2 pairs in 1938 and 1 in 1921.

The decendants from the beginning, including Daniel and Mary and the 4 foster children would be 624, 296 daughters. 326 boys, of which there have been 58 deaths. You can also see that Daniel was born in the year of 1842, which would be 100 years ago, also in the month of Jan., the month in which this is also to be printed.

Introduction

The reason for which this book is being printed is not for a money making assessment. It is merely printed so the ones who like, may be in touch with his near relation. In this way one can keep in touch with them, and in the back of this book you will find some blank pages. on which, if a person wishes to keep a record from here on it would make it more convenient to keep a record in this way. That is also the reason this book is printed and may also be a benefit of the younger ones to see where their decendants came from.

In the beginning of our former aged grandfathers, which have been traced back by John E. Borntrager, or Eli J. Borntrager who finished the decendants book of Martin Borntrager, as some of these records are taken out of that book we see the name of Martin Borntraeger, as it was spelled from the start, was born in Switzerland and came across the ocean on the Ship Sally John Osman, Master from Rotterdam. last from Cowes, and arrived at Philadelphia, Pa. on Oct. 5, 1767 with three sons, John, Christian and Andrew. Now we can see that Daniel J. Borntrager was in the fifth generation from Martin, who his son John, who was also born in Switzerland but no record given of his birth, so next was his John. the 3rd generation from Martin who was born in Somerset Co. Pa. on Oct. 3, 1781. He was married to Barbara Johns who was born Nov. 22 1782. Another record shows her birth as Jan. 22 so not certain which was correct. She was the daughter of Joseph Johns, the founder of Johnstown, Pa.

This Joseph Johns or Schantz, as it was spelled at that time, was evidently born in Switzerland about 1750 and come to America Sept. 1, 1769 on the Ship Nancy and Suckey Wm. Keys captian from London and landed at Philadelphia. They had 9 children, 4 boys and 5 girls. From this family there

was another John, the 4th generation. He was also born in Somerset Co. Pa. on March 10, 1805 and died in Lagrange Co. Ind. April 27, 1891. He was a preacher in the Amish church and moved from Pa. to Lagrange Co. Ind. To this union were born 5 sons and 3 daughters, namely, Christian, Joseph, Magdalena, John, Barbara, Daniel, Manasses. Anna and one son from his 2nd wife, namely, Isaac. This was now the Father of our grandfather, who died at Poplar Bluff, Mo. and was buried there, also his 2nd wife was buried at the same place until Oct. 22 1941, when the remains of the 2 bodies, with a daughter of Mr. and Mrs. Sam R. Bontrager were brought to Reno, Co., Kans., for burial in the Amish cemetery near Yoder, Kansas.

Daniel J. Borntrager with his family moved from Topeka, Ind. to Haven, Kans. in the month of March, in the year 1891.

O, clap your hands. all ye people; shout unto God with the voice of triumph,

For the Lord most high is terrible; he is a king over all the earth. Blessed be the name of the Lord, from this time forth and for evermore.

From the rising of the sun, unto the going down of the same, the Lord's name is to be praised.

The Lord is high above all nations, and His glory above the heavens.

The works of the Lord are great, sought out by all them that have pleasure there who is like unto the Lord our God, who dwellth on high, who humbleth himself to behold the things that are in heaven and in the earth!

He raiseth up the poor out of the dust, and lifteth the needy out of the dunghill, that he may set him with princes woman to keep house, and to be a joyful mother of children. Praise ye the Lord.

even with the princes of his people, and He maketh barren thine own understanding.

Trust in the Lord with all thine heart; and lean not unto thine own ununderstanding
